

Infokerk Privacy Statement

1. Overview

Infokerk Rekenaar Konsultante BK, its affiliates and partner companies (“We”, “Us”, or “Our”) recognize the need for protection and management of your personal information. We have therefore adopted this Privacy Statement to assist you in understanding what information we collect and how that information is used and shared.

2. Information We Collect

This Privacy Statement applies to the information that we collect and store from churches that use our Backup Buddy Application.

3. Security

Infokerk Rekenaar Konsultante BK takes information security seriously and uses state of the art security measures to protect your information from unauthorized access. We also use **SSL** technology on our website and therefore the website is a secure website with a **https** prefix. However, no security system can ever be 100% secure, and therefore we cannot guarantee the security of your information or assume liability for improper access to it. It is your responsibility to keep your password confidential, change the password frequently and use a strong password. We strongly recommend that you do not share this password with anyone, since this may cause improper access to the website. We also would like to state that we do not store any banking details of any customer on the Winkerk Online website.

4. Data Retentions

We will retain your information for as long as your church or synod require to have access to your data.

5. Changes to this Statement

We reserve the right to modify this Privacy Statement at any time, so please review it frequently. If we make material changes to this statement, we will notify you here, by means of a notice on our home page. Your continued use of Infokerk Rekenaar Konsultante BK’s products, services or websites constitutes your agreement to this Privacy Statement and any updates.

6. Contacting Us
